Note: See sections "Starting Lineup" and "General Manager."

TWO-PLAYER GAMES

- In two-player Exhibition Games, Player One is in control of:
 - designating an Exhibition game on the Game Select screen
 - selecting a two player game on the Exhibition screen
- After selecting a two player game, both controllers make Team, Home Team and Field decisions.
- On the Starting Line-Up screen, Player One gets first look at his team. Press **Start** to select lineup.
- After Player Two selects lineup, press **Start** to Play Ball!

STARTING LINEUP

Change the batting lineup, replace the pitcher and fielders or just check out stats on your team.

TO CHANGE THE BATTING ORDER:

1. On the Starting Lineup screen, press **Button A** to view the Bench screen.
2. Press the **D-Pad UP/DOWN** to select the player to be changed and press **Button A**.
3. Press the **D-Pad UP/DOWN** to select the player to replace the first player. Press the **D-Pad LEFT/RIGHT** to check out all the stats on that player.
4. Press **Button A** to make the switch.

TO REPLACE A STARTER:

1. On the Starting Lineup screen, press **Button A** to view the Bench screen.
2. Press the **D-Pad UP/DOWN** to highlight player to replace. Press **Button A**.
3. Press the **D-Pad DOWN** to highlight player from the bench to bring in. There is a space separating the starting players (upper list) from the bench players (lower lists).
4. Press **Button A** to complete the switch.

TO SWITCH PLAYER DEFENSIVE POSITIONS:

1. Before the game from the Starting Lineup screen, press **Button A**.
During gameplay press **Start to call time-out. Highlight Defensive change and press **Button C**.
2. Press the **D-Pad UP/DOWN** to highlight player to move and press **Button A**.

3. Press the **D-Pad UP/DOWN** to select the player you want to switch positions with.
4. Press **Button B** to make the switch.

Note: The user cannot make a defensive replacement or pinch-hit if there are no bench players left. Also, you may not switch positions with the pitcher.

TO REPLACE THE PITCHER BEFORE A GAME:

1. On the Starting Lineup screen, press **Button B** to view the Bullpen screen.
2. Press the **D-Pad UP/DOWN** to highlight a prospective pitcher. Press the **D-Pad LEFT/RIGHT** to check out the pitcher stats.
3. To select a new pitcher, press **Button A** to make the switch.
4. Press **Start** to return to the Lineup screen.

Note: In PENNANT RACE mode, pay special attention to the Rest & Stamina (STM) Ratings of a prospective pitcher. See the section "Reading Stats."

6. Press **Start** to return to the Defense menu. Highlight CONTINUE and press **Button C** to re-enter the game.

DOUBLE SWITCH

- When making a pitching change when the DH is not in effect, the user is given the option to make additional changes to his lineup.
1. Press **Button A** to make the reliever switch (see Relief Pitcher #5).
 2. Start a double switch by pressing **Button B**.
 3. At the Bench screen, press the **D-Pad UP/DOWN** to highlight defensive player to leave game.
 4. Press **Button A** to place relief pitcher into that player's spot in the batting order.
 5. Press the **D-Pad UP/DOWN** to highlight defensive replacement.
 6. Press **Button A** to complete the DOUBLE SWITCH or press **Button C** to cancel. The defensive replacement will assume the former pitcher's (or pinch hitter's) spot in the batting order.
 7. Press **Start** to return to the Defense menu. Highlight CONTINUE and press **Button C** to re-enter the game.

FIELDING

When the Fielding Option is set to AUTOMATIC:

Your fielders will attempt to field the ball on their own. The user then controls the throw.

When the Fielding Option is set to MANUAL:

The active player is highlighted by a yellow circle and the balls landing area is highlighted with a yellow target. The user controls the fielding and the throwing.

- When throwing to bases, use the **D-Pad** to designate the base. If you do not press the **D-Pad**, the throw goes to first base.

- If there is no fielder at the base you are throwing to, your active fielder will run toward the base to make the out.
- When there is no fielder visible on the field, a yellow arrow points in the direction of the closest fielder.
- Make fielder adjustments during a defensive Time-out.

Use these base designations for fielding:

Home	.D-Pad DOWN
First	.D-Pad RIGHT
Second	.D-Pad UP
Third	.D-Pad LEFT

- Highlight **SCHEDULE** and press **Start** to view upcoming games. Press the **D-Pad LEFT/RIGHT** to cycle through the calendars. Your next game is circled.
- Highlight **STANDINGS** and press **Start** to view all the teams by league and division. More information is displayed as you get into the season.
- There are no League Leaders yet. Once the season is under way check here more current info on the top players.

Note: See more about the Standings screen and League Leaders in the "Reading Stats" section.

6. If you want to enter General Manager Mode, highlight **GENERAL MANAGER** and press **Start** or highlight **START GAME** and press **Start** to get into the season.
7. Make last minute changes on the Starting Lineup screen and press **Start** to load the season and play your first game.

PLAYER OF THE GAME AND MVP

Each game ends with the Player of the Game screen, featuring key stats on the best performer. When you finish a season of play, several post-season awards, including an MVP for each league, are handed out.

Post-Season Awards:

MOST VALUABLE PLAYER- The player in each league deemed to be the most valuable to his team.

PITCHER OF THE YEAR- The pitcher in each league deemed to be the most valuable to his team.

BATTING CHAMPION- The player in each league who finishes the season with the highest batting average.

RBI CHAMPION- The player in each league who drives in the most runs during the season.

STOLEN BASE CHAMPION- The player in each league who steals the most bases during the season.

PLAYOFFS

In order to advance to the playoffs you must first qualify in Pennant Race mode. The season ending divisional winners and one wildcard team from each league qualify for the playoffs. The wildcard team is the team that finishes with the best season record that was NOT a divisional winner.

In the Wildcard Round of the playoffs, the wildcard team will play the division winner with the better overall record of the two teams that are NOT in its division. The other two divisional winners play each other in the other playoff.

The four winners from the Wildcard Round play in the League Championship Series.

The two winners from the League Championship Series play each other in the World Championship.

Home field advantage for each series is given to the team with the better league record, with the exception of the wildcard team, which is never granted home field advantage.

Note: Even if you do not qualify for the playoffs, you may see how the teams that did qualify fared in the postseason by selecting "Continue Pennant Race" from the Game Selection Menu and selecting "View Schedule" from the Sports Desk Menu.

GENERAL MANAGER

The General Manager mode allows the user to make team changes by altering player stats and/or trading players.

- Change their batting average from 0 to 500.
- Jack up their home run statistic to 62.
- Pad their runs batted in to 150.
- Change Pitchers' Win/Loss and ERA.
- Trade Players

Note: Players without stats did not play in 1995, and will need stat changes to reflect their actual abilities. The Default Stats are based on the real 1995 stats for each player.

CHANGING PLAYER STATS

1. Press **Button A** to open General Manager from the Exhibition screen, or the Sports Desk screen in Pennant Race Mode.
2. Press the **D-Pad UP/DOWN** to highlight the player whose stats you want to change. If you are going to adjust pitcher stats, press **Button B** and then press the **D-Pad LEFT/RIGHT** highlight the desired pitcher.
3. Press the **D-Pad LEFT/RIGHT** to highlight the stat that you want to alter.
4. Press the **D-Pad UP/DOWN** to raise or lower the stat.
5. If you decide to return the Stats and Rosters to the defaults, press **Button C** to cancel your changes.

Note: In Pennant Race Mode, you will receive a warning that players and their stats will return to their last saved settings. Press Button A to erase your current changes. Press Button C to keep your changes in force.

6. Press **Start** to exit GM mode. Any roster changes will now be saved.

TRADING PLAYERS

Note: Players who are traded between leagues will not take their accumulated Pennant Race statistics with them, but traded players from teams in the same league will retain all statistics.

1. Press **Button A** to open the General Manager screen from the Exhibition screen, or the Sports Desk screen in Pennant Race mode.
2. On the General Manager screen, press the **D-Pad UP/DOWN** to highlight the player you want to trade. If you want to trade off a pitcher, press **Button B** and then highlight the desired pitcher.
3. Press **Button A** to select your player and display the other teams. Press the **D-Pad LEFT/RIGHT** to select a team. Press the **D-Pad UP/DOWN** to highlight the player you want to bring to your team.
4. Press **Button A** to make the trade and return to the General Manager screen. If you decide to return the Stats to the defaults, press **Button C** to reset your roster and cancel the trade.

Note: In Pennant Race Mode, you will receive a warning that players and their stats will return to their last saved settings. Press Button A to reset to the defaults. Press Button C to keep your changes in force.

5. Press **Start** to return to game.

TRADING DEADLINE

In Penant Race mode, no trades or stats adjustments will be permitted after the following periods:

26 game season	after game 20
81 game season	after game 67
162 game season	after game 135

QUITTING A GAME OR A SEASON

1. Call a time-out.
2. Highlight **QUIT GAME** and press **Button C**. A quit warning will appear. Note that stats are not saved for incomplete games in Pennant Race mode.
3. Highlight **YES** and press **Button C** to quit the game.

SAVING & LOADING SEASONS

If you do not have enough space (133 blocks) to save 3D Baseball, you will need to create space in the Saturn's NVRAM by deleting other saved files. A warning will appear prior to beginning a **NEW PENNANT RACE** and direct you to the NVRAM manager for this purpose.

SAVING A NEW PENNANT RACE

1. At the Main Menu, highlight NEW PENNANT RACE and press **Start** to begin new season. Only one PENNANT RACE season can be saved at a time.
2. If you have an existing Pennant Race in progress you will be given the option to delete or not. Go back to the Main Menu by pressing **Button C** or to delete existing PENNANT RACE in progress and begin a new one by pressing **Button A**.

LOADING SAVED PENNANT RACE

1. At the Main Menu, highlight CONTINUE PENNANT RACE and press **Start** to load a previously saved season.
2. If you have a season saved, you will view the Sports Desk and return to the Pennant Race in progress.

Note: See PENNANT RACE for more details.

MEMORY CARTRIDGE

If you are using a memory cartridge to save your Pennant Race, insert the cartridge before turning on the system. If both the cartridge and the system's internal memory storage each contain a 3D Baseball file, the game will use the file on the memory cartridge.

READING STATS

MINDSCAPE, INC. LIMITED WARRANTY

Mindscape, Inc. warrants to the original purchaser of the computer software product, for a period of 90 days from the date of original purchase (the "Warranty Period"), that under normal use, the magnetic media and the user documentation are free from defects in materials and workmanship.

Warranty Claims

To make a warranty claim under this limited warranty, please return the product to the point of purchase, accompanied by proof of purchase, your name, your return address and a statement of the defect. OR send the disc(s) to us at Mindscape, Inc., 88 Rowland Way, Novato, CA 94945, within 90 days of purchase. Include a copy of the dated purchase receipt, your name, your return address and a statement of the defect. Mindscape, Inc. or its authorized dealer will, at our option, repair or replace the product and return it to you (postage prepaid) or issue you with a credit equal to the purchase price.

To replace defective media after the 90-day warranty period has expired, send the original disc(s) to the Mindscape, Inc. address given above. Enclose a statement of the defect, your name, your return address, and a check or money order for \$10.00.

The foregoing states the purchaser's sole and exclusive remedy for any breach of warranty with respect to the software product. For information, call Mindscape, Inc. Customer Service at 1-415-898-5157.

Limitations

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on or obligate Mindscape, Inc. Any implied warranties applicable to this software product, including warranties of merchantability and fitness for a particular purpose, are limited to the 90-day period described above. In no event will Mindscape, Inc. be liable for any special, incidental, or consequential damages resulting from possession, use or malfunction of this Mindscape, Inc. software product.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights which vary from state to state.

The foregoing Mindscape, Inc. Limited Warranty terms do not affect your statutory rights as a consumer.
