STORY

The year is 1997. It's the dead of night in Los Angeles. There has been a mass murder at a general hospital on the outskirts of town. The perpetrator is the director of the hospital,

Richter Harris. He has locked himself up in the hospital and taken a number of patients as hostages. The police are helpless, unable to move in. Richter's only daughter, Laura Harris, hearing of the situation, rushes to LA from San Francisco, and drives alone to the tragic scene at the hospital grounds... Will Laura be able to penetrate the riddle of her transfigured father?

STARTING UP

1. Set up your Sega Saturn™ system as described in its instruction manual. Plug in Control Pad 1.

NOTE: D™ is for one player, and uses two discs. Midway through the game you must switch discs.

2. Place Disc 1 of D™, label side up, in the well of the CD tray and close the lid.

3. Turn on the TV or monitor and the Sega Saturn™. The Sega Saturn™ logo appears on screen.

(If nothing happens, turn the system off and make sure it is set up correctly before turning it on again.)

4. If you wish to stop the game in progress or the game ends, press the Reset Button on the Sega Saturn™ console to display the on screen Control Panel.

***Important:** Your Sega Saturn™ CD contains a security code that allows the disc to be read. Be sure to keep the disc clean and handle it carefully. If your Sega Saturn™ system has trouble reading the disc, remove the disc and wipe it carefully, starting from the center of the disc and wiping straight out toward the edge.*
