**PLEASE NOTE:** PURSUIT FORCE™ does not support any of the following Wireless (WLAN) features.

### AD HOC MODE

0.1

In order to access Infrastructure Mode features, several additional items are required, including a subscription to an Internet Service Provider, a network device (e.g. a Wireless ADSL Router), a Wireless (WLAN) Access Point and a PC. For further information and setting up details, please refer to the PSP™ system Instruction Manual.

## BASIC PROCEDURES

In this manual, ↑, ↓, ←, → etc. are used to denote the direction of both the directional buttons and the analog stick unless stated otherwise.

Press ↑, ↓, ← and → to navigate menus and highlight options, and press the ⊗ button to confirm selections. To cancel a selection or return to a previous screen, press the ○ button or the △ button.

## INDUCTION SCHEDULE

A short cinematic introduction will be shown to new recruits; following this, the title screen will be displayed. Press the START button to proceed to the Profile Menu.

All officers should ensure they register their details with administration in case of accidents:

To create a new officer profile select "New", then enter a name of up to eight letters using the virtual keyboard. To confirm registration and save the new profile to Memory Stick Duo™, select "←".

More experienced individuals should select "Load" to call up a previously-saved officer profile.

Select "Delete" to put an officer up for early retirement and erase their profile previously saved to Memory Stick Duo™ (officers who misuse this facility may be subject to disciplinary action). Non-PURSUIT FORCE™ data saved to Memory Stick Duo™ can also be deleted.

Officers will then proceed promptly to the Main Menu for further briefings.

## OPERATIONAL GUIDELINES

### DRIVING

0.1

The use of cars and other vehicles to pursue and eliminate felons is the primary role of Pursuit Force officers. The department demands exceptional – and safe – driving abilities.

Vehicles driven by Pursuit Force officers have a high-risk of sustaining damage resulting from gunfire and ramming. Monitor the vehicle's condition, and avoid being caught behind the wheel of a car with a flaming engine and no tyres. If necessary, commandeer alternative transport, or restore vehicle condition by pressing the △ button when the Justice Bar is filled.

## COMMANDEERING VEHICLES

0.1

Officers are permitted to commandeer vehicles if necessary. Abuse of this privilege for personal reasons may lead to disciplinary action.

When adjacent to a vehicle that can be commandeered, the Jump Icon will be displayed; press the **○** button to jump on to the vehicle. Ramming the target vehicle or releasing the accelerator when close to the target can help officers get into range to perform a jump. If the Jump Icon is not displayed, the adjacent vehicle can not be commandeered.

After jumping on to a vehicle belonging to a member of the public, the vehicle will immediately come under the control of the active officer. Vehicles belonging to gang members are more difficult to commandeer; a few may be customised so that they can not be jumped on to, in which case the Jump Icon will not be displayed.

To capture a gang member's vehicle, the current occupants must be eliminated. Press the **R** button to fire on vehicle occupants, and press the **L** button to switch targets. Gang member gunfire can be avoided by pressing and holding the **○** button.

If the driver swerves to avoid capture, officers may find themselves hanging on for dear life; to climb back on to the vehicle, continually tap **←** if hanging from the right side, and continually tap **→** if hanging from the left side.

*THIS IS THE KIND OF FANCY STUFF YOU THINK YOU'RE GOOD AT, ISN'T IT? WELL, DON'T LET ME DOWN...*

## FIREARMS USAGE

0.1

Pursuit Force officers are permitted to use deadly force against felons if absolutely necessary. The expected level of care regarding public safety should always be maintained.

To shoot felons whilst driving or attempting to commandeer a hostile vehicle, press the **L** button or the **R** button to bring up the targeting indicator over the closest target and hold the **R** button to shoot. To cycle through available targets, press the **L** button. The targeting indicator displays the current condition of the target.

*THE BAD GUYS ARE GOING TO BE PACKING SOME SERIOUS FIREPOWER — THE KIND THE MAYOR WOULD NEVER SPEND, THE CASH ON SUPPLYING US WITH. IF YOU'RE GOING TO TAKE THESE GUYS ON AND WIN, YOU'D BETTER TRY AND MATCH THEIR ARSENAL — TAKE CONTROL OF ONE OF THEIR CARS AND YOU'LL PROBABLY FIND SOME USEFUL GEAR.*

## RESTORING PUBLIC CONFIDENCE

0.1

Pursuit Force has been founded with the ultimate aim of bringing justice back to the state. However, officers should at all times avoid actions likely to exacerbate public anxiety and fear.

The Justice Bar will fill when officers eliminate gang members and ram or destroy criminal's vehicles.

Keeping the Justice Bar fully filled provides a number of benefits:

- Officers' health will regenerate more quickly (once the regeneration upgrade has been awarded)
- Attacks on gang members will cause increased damage
- Gang members can be shot from mid-air as officers leap on to their vehicles. Felons should be targeted in the usual manner: press the **R** button to shoot and the **L** button to cycle through targets. Shooting in this way gradually drains the Justice Bar.

Alternatively, press the **A** button when the Justice Bar is filled to instantly regain health and restore the condition of the vehicle currently in use. When health is recharged in this way the Justice Bar is emptied and must be refilled for further benefits.

Lawbreaking acts such as ramming or destroying public vehicles will empty the Justice Bar, and should be avoided. Whilst the public can not be directly targeted, they are at risk of being caught in crossfire, and officers must be alert to where they are shooting at all times.

REMEMBER, YOU'RE ONLY BEHIND THAT WHEEL IN THAT FANCY UNIFORM AS LONG AS I CAN CONVINCE THE MAYOR YOU'RE USEFUL. IF HE STARTS GETTING VOTERS CRYING THEIR LITTLE EYES OUT, YOU'LL FIND YOURSELF QUEUING UP AT THE EMPLOYMENT OFFICE BEFORE YOU CAN SAY 'EARLY RETIREMENT'!

## AERIAL OPERATIONS

0.1

During certain cases officers may be required to man the mini-gun in the Pursuit Force helicopter. Care should be exercised at all times when operating high-calibre weaponry.

Officers are not targeted automatically when the mini-gun is in use. Officers should direct their fire by pressing **↑**, **↓**, **←** or **→** to guide the target sight. To invert the vertical axis of the mini-gun controls, select "Controls" from the "Options" section of the Pause Menu and press **←** or **→** to adjust the "Helicopter Gun Axis".

The mini-gun is susceptible to overheating; officers should be wary when firing the gun for prolonged periods, and should monitor the temperature gauge accordingly.

OVERHEAT THAT GUN AND YOU'LL BE A SITTING DUCK WHILE YOU WAIT FOR IT TO COOL DOWN, SO GIVE THAT ITCHY TRIGGER FINGER A REST OCCASIONALLY.

## BASE OF OPERATIONS - THE MAIN MENU

Officers should consider all of the following options, and refer to the specified sections of this handbook for further information:

<b>Career</b>	see "Welcome to Your Career in Pursuit Force"
<b>Race</b>	see "Supplementary Procedures 1 - Race Mode"
<b>Time Trial</b>	see "Supplementary Procedures 2 - Time Trial Mode"
<b>High Scores</b>	see "Officer Achievements - High Scores"
<b>Gallery</b>	see "Visual Record Department - Gallery"
<b>Options</b>	see "Operational Variables - Options"

## WELCOME TO YOUR CAREER IN PURSUIT FORCE

0.1

Officers should begin their Pursuit Force careers as soon as possible; many cases require urgent resolution.

*NO KIDDING! GET TO IT!*

Select "Career" from the Main Menu to begin or continue a career in Pursuit Force. Only one career can be stored for each officer profile. Press ← or → to select a gang to target from those available, and press the ⊗ button to confirm, then select an open case to work on. The case briefing will be displayed; to select a different case, press the ⊙ button or the ▲ button. Otherwise, press the ⊗ button to confirm selection and press the START button following a short loading period to begin the case.

During cases, officers should pursue the objectives outlined in the case briefing, but should be prepared to follow the commands of superior officers.

DON'T YOU FORGET THAT, KID - IF I TELL YOU TO DO SOMETHING, YOU DO IT! IF I SAY 'PULL OVER AND START MOWING THAT GUY'S LAWN', I WANNA SEE YOU CUTTING THAT GRASS IN TWO SECONDS FLAT - WITH A SMILE ON YOUR FACE!

Officers will receive a debriefing at the end of every case. The total score will be calculated, on the basis of which a rating from A to C will be awarded. No rating will be awarded for unsuccessful cases, or in the event of an officer fatality.

## PURSUIT FORCE CAREER DEVELOPMENT PLAN

0.1

Officer ▶ Sergeant ▶ Lieutenant ▶ Captain ▶ Major ▶ Commander

Many cases are only available to officers of a certain rank. Successfully close all cases available at the current rank to receive a promotion and gain access to other cases. Officers can check their current rank by selecting "Info" from the Profile section of the Options Menu.

## PERFORMANCE RELATED BONUS SCHEME

0.1

The degree of success officers have in closing cases will determine the bonuses they receive. Performance is judged by the rating awarded after closing a case, and bonuses may include:

- Unlocked routes in Race or Time Trial Mode
- Unlocked vehicles for use in Time Trial Mode
- Unlocked Gallery images and movies
- Cheats (accessed from the Options Menu)

Additional bonuses are awarded when promotions are earned, including improved abilities and equipment for use in subsequent cases.

KEEP YOUR MIND OFF THE SIZE OF YOUR PAYCHECK, KID. YOU SHOULD BE DOING THIS FOR MORE NOBLE REASONS, - OR AT LEAST OUT OF FEAR OF WHAT I'LL DO TO YOU IF YOU MESS UP!

## SUPPLEMENTARY PROCEDURES - INTRODUCTION

0.1

Officers should be aware of certain supplementary procedures, in addition to their main casework. Race and Time Trial Mode can not be initially accessed, however these supplementary procedures will be made available once officers have successfully closed their first case.

## SUPPLEMENTARY PROCEDURES 1 - RACE MODE

0.1

It has come to the department's attention that members of certain criminal gangs are known to take part in various illegal races across the state.

It is suspected that such felons select "Race" from the Main Menu and then press **←** or **→** to highlight a route, before ruthlessly pressing the **⊗** button to confirm selection. Sources suggest that the race records for the selected route are displayed during a short loading period, after which time the START button is pressed to begin the race.

THOSE GANGLAND SCUMBAGS ARE TURNING THE ROADS OF THIS STATE INTO THEIR OWN PRIVATE RACETRACK - INVESTIGATE!

After the race is over the leaderboard will be displayed - if a top five time has been recorded, a name can be entered. After entering a name, if applicable, select "Try Again" to make another attempt at the same route or "Quit" to return to the Route Select screen.

## SUPPLEMENTARY PROCEDURES 2 - TIME TRIAL MODE

0.1

Officers' general off-duty conduct should be beyond reproach. Vehicular misdemeanours are to be particularly discouraged.

REMEMBER, THE LAST THING I WANNA BE HEARING IS THAT SOME ROOKIE COP HAS BUSTED YOU DOING 120MPH ON THE FREEWAY. BUT YOU KNOW I WANT RESULTS FAST, SO TRY AND MAKE SURE YOUR SKILLS BEHIND THE WHEEL ARE SOMEWHERE NEAR AS GOOD AS YOU LIKE TO THINK THEY ARE.

Select "Time Trial" from the Main Menu to take part in a solo time trial across various routes throughout the state. Press **↑** or **↓** to select a location and press **←** or **→** to select a route, then press the **⊗** button to confirm selection.

After a short loading period, during which the top five times for the selected route will be displayed, press the START button when indicated to begin the time trial.

After the time trial the leaderboard will be displayed - if a top five time has been recorded, a name can be entered. After entering a name, if applicable, select "Try Again" to make another attempt at the same route, "Save Hotlap" to save a ghost record of the time trial to race against on subsequent attempts, or "Quit" to return to the Route Select screen.

## OFFICER ACHIEVEMENTS - HIGH SCORES

0.1

Select "High Scores" from the Main Menu to view the leaderboards. Press **↑** or **↓** to select either Career, Race or Time Trial and press **←** or **→** to cycle through the cases or routes.
