**WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing videogames, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

**USE OF UNOFFICIAL PRODUCTS**

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS**

Do not connect your PlayStation game console to a projector TV without first consulting the user manual for your projector TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**MAKING YOUR PLAYSTATION DISC**

- The compact disc is intended for use only with the PlayStation game console.
- Do not bend it, push it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep the compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.
- Clean the disc with a soft, dry cloth, wiping it straight lines from the outer edge. Never use solvents or abrasive cleaners.

# PlayStation Setup

## Console

### Top View

### Front View

Set up your PlayStation game console according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a compact disc. Insert the NCAA GameBreaker 2001 disc and close the disc cover. Insert game controllers and turn ON the PlayStation game console. Follow on-screen instructions to start a game.

# Controller Diagrams

## Regular Controller

## DUALSHOCK™ analog controller

## MULTI TAP

When using the Multi Tap, at least one controller must be connected to Controller port 1-A or 2-A.

# Memory Card/Saving Data

You must insert your MEMORY CARD before you save or load a file. NCAA GameBreaker 2001 saves user-defined options and all data for a Season, Tournament, Roster Change, Created Player, or Custom Playbook. Save/Replace will also appear after Creating a Player or after a Play has been created. You must save at this screen to save all Roster, Created Player, or Playbook data. Four blocks of memory must be available on your MEMORY CARD in order to save a game file. Only one block of memory is needed to save a settings file. If you don't have a MEMORY CARD, all NCAA GameBreaker 2001 data will be lost when you turn off your PlayStation game console.

# Game Controls

## QUICK START CONTROLS

With NCAA GameBreaker 2011's Quick Start Controls, you don't have to worry about having to learn a bunch of complicated control combinations. These basic controls allow you to get started and into the game quickly.

# Pregame Setup

## ATHLETIC DEPT

Use the Athletic Dept menu to view and manage team rosters.

### VIEW ROSTERS

View the player rosters of each college team. Rosters will show the physical attributes and skill ratings of each player by rating each stat based on a scale of 1-100.

- Press the Right/Left Directional Button to choose a team roster.
- Press the Up/Down Directional Button to view the entire roster and player ratings.
- Press  and  to cycle through other skill categories.

### BLUE CHIP RECRUITING

Recruit the nation's top blue chip incoming freshmen and junior college transfers. At the end of a Season, your blue chips may be selected to the All-Freshmen team.

### GO RECRUITING

- Press the Right/Left Directional Button to select a blue chip team or press START to have the CPU randomly select a team for you. Be sure to review your team's roster to see what kind of players your team needs.
- Press the Up/Down Directional Button to choose a Playbook. Selecting the type of Playbook your team will be using will help determine the type of quarterback you'll be recruiting. Choose a Passing or Balanced Playbook to recruit a classic drop back passing QB. Choose a Running Playbook to recruit a dynamic option QB.
- Press  to continue.

### OFFICIAL VISITS

From this screen you'll choose one of five recruits from nine positions.

- Press the Up/Down Directional Button to select a blue chip recruit. Fresh indicates a college true freshman. Junior indicates a junior college transfer.
- Press  to check a recruit and invite him on an official visit. If a school is highlighted in blue under school preferences, the recruit has given that school a verbal commitment. Flashing numbers indicate a gamebreaker. The higher a blue chip's overall attribute, the more national attention he'll attract.
- Press  to continue and repeat the previous steps to invite all nine recruits to your school.

### LETTER OF INTENT DAY

On Letter of Intent Day, you'll know which recruits have chosen your school. The list of players will be shown on the screen.

- Press the Right/Left Directional Button to view the recruits that other colleges have landed. Each blue chip signing with your school will be automatically placed on the roster depth chart and issued a jersey number.
- Press  to keep the current recruiting class or  to discard and go recruiting again.

### CREATE WALK-ON

Create Walk-On allows you to be creative in building the perfect football machine. Or for fun, create yourself using your own physical attributes.

- Press the Up/Down Directional Button to a player attribute, then the Left/Right Directional Button to raise/lower the attribute selection. Notice that the player ratings at the bottom of the screen adjust as you alter the player attributes, retaining the characteristics of a complete player. Press and hold L2 + the Right/Left Directional Button to move the attribute slider more rapidly. Press R1 + R2 to reset all slider settings.
- Press  to continue to the Place Walk-On screen.

## PLACE WALK-ON

Choose a walk-on and place him on your team.

- Press the Up/Down Directional Button to select the team option, then the Left/Right Directional Button to choose a team.
- Press the Up/Down Directional Button to select the jersey number, then the Left/Right Directional Button to choose a number.
- Press the Up/Down Directional Button to select the walk-on, then the Left/Right Directional Button to select a player position. Determine your walk-on's position by the NCAA Prospects listing. If the prospects are an option quarterback or a halfback, select one of those two choices for your player's position.
- Press  to continue.
- Press the Up/Down Directional Button to choose a player to replace and press .
- Press  to replace the player.

## EDIT SCHEDULE

Switch a game on the schedule to a different date or give your team a breather from the college grind by creating a BYE on the schedule where it didn't exist before. You can also change the opponent of a scheduled game or simply change a game from Away to Home and give your team an advantage in an important matchup.

- Press the Right/Left Directional Button to choose a team schedule.
- Press the Up/Down Directional Button to choose a game on the schedule.
- Press the Right/Left Directional Button to change opponents.
- To change the location of the game to Home or Away, press .
- To change the week to a BYE week, press .
  
- To choose a random opponent for a game, press . Pressing L2 +  will choose random opponents for the entire schedule.
- Press  when done.

## LOAD/SAVE TEAMS

After you have created players and/or altered rosters, save teams to the MEMORY CARD. You can also load a previously saved team. A team cannot be loaded after a Season has been started. If you attempt to load a previously saved Bowl Season or Tournament, your current Bowl Season or Tournament will be canceled.

**NOTE:** Before altering files, select a MEMORY CARD slot by using the Directional Buttons to select MEMORY CARD slot 1 or MEMORY CARD slot 2 and pressing .

To save a team/settings/seniors:

- Press the Directional Buttons to select Save Team and press .
- Press the Right/Left Directional Button to select a team and press .
- Enter a custom name for the file by pressing the Up/Down Directional Button to choose a character and Left/Right to move spaces.

To load a team, it must have already been saved to the MEMORY CARD:

- Press the Directional Buttons to select Load Team and press .
- Press the Up/Down Directional Button to select a team to load and press .

To delete a file from the MEMORY CARD:

- Press the Directional Buttons to select Delete and press .
- Press the Up/Down Directional Button to choose a file to delete and press .
- Press the Directional Button to select YES and press  to delete the file or press  to cancel.

## **CUSTOMIZE**

Set the volume of the play-by-play announcer.

## **ADVANCED OPTIONS**

To set up Advanced Options:

- Press the Up/Down Directional Button to select an option.
- Press the Right/Left Directional Button to change categories.

## CUSTOM PLAYBOOK

Create Playbook allows you to customize plays for your team's Playbook. For example, change a shotgun formation with a deep post route into a curl route. Each player on the field can have his play assignment changed. When done making changes to your Playbook, you will be sent to the MEMORY CARD screen. Be sure to save your Playbook to the MEMORY CARD.

- Press the Right/Left Directional Button to choose a team for creating custom plays and press  to load the Playbook Editor. You can also press  to load a previously edited Playbook.
- Press the Up/Down Directional Button to choose a side of the ball.
- Press the Right/Left Directional Button to choose a play to edit and press the corresponding controller button.
- Press the Right/Left Directional Button to choose a player.
- Press  to change the player route.
- Press the Up/Down Directional Button to choose a new route and press .
- Repeat the previous steps for each player on the field.

To make changes to additional plays, press START to bring up the Editor menu.

## TEST PLAY

View the plays in the Playbook and see which plays you would like to change.

## CHANGE PLAY NAME

Change the name of the currently selected play.

- Use the Directional Buttons to select a letter/number from the alphanumeric chart and press  to enter it. To delete a letter/number or put a space in the name, press the Directional Buttons to move to DELETE or SPACE and press .
- Press the Directional Buttons to move to END and press  when done.

## SAVE PLAY ROUTES

Save any changes you have made to each play.

## RESET PLAY ROUTES

Return all plays to their original setup.

## EDIT NEW PLAY

Choose additional plays to edit.

## CAMERA OPTIONS

Set the camera angle to view your new play.

## QUIT EDITOR

Quit the Playbook editor and return to the Customize menu.

## CONTROLLER SETUP

Set the controller configuration to one of the four settings for offense and defense.

- Press the Right/Left Directional Button to choose a Default or Inverted controller setup. Inverted will switch the commands for the  and  buttons.
- Press the Up/Down Directional Button to Offense/Defense, then the Left/Right Directional Button to view the new controller functions.
- Press the Down Directional Button to Vibration On/Vibration Off, then the Left/Right Directional Button to choose one of the two settings. To activate your DUAL-SHOCK™ analog controller, choose Use Vibration to feel the collision of a big hit.

## EASTER EGGS

Use Easter Eggs to add a unique dimension to your game. Easter Eggs are revealed to you after you defeat the CPU in any of the Season formats.

- From Add Entry, press  to activate the alphanumeric chart.
- Use the Directional Buttons to choose a character or option and press  to enter it. To delete a character or space, use the Directional Buttons to move to DEL and press . Select Clear and press  to wipe out your name and start over.
- Press the Directional Buttons to move to DONE and press  to lock in your name and deactivate the chart.

## MEMORY CARD

Use MEMORY CARD to alter the files on your MEMORY CARD. You can save games, game settings and senior players, load games and game settings or delete files. See Load/Save Teams on page 13 for more information.

- To choose a save option, press the Right/Left Directional Button to Save Game, then Up/Down to select an option.

# Scrimmage Games

Use Scrimmage Games to prepare yourself for a Bowl Season or Tournament. Scrimmage results cannot be recorded in Season standings.

**NOTE:** Before starting a game, make changes to your roster and game attributes from the Athletic Dept and Customize menus.

## TEAM MATCHUP

Here's where you choose the teams for your game. Let the CPU randomly choose a great college matchup or select two Division I-A teams of your own.

- Press the Right/Left Directional Button to choose the Home/Away team.
- Press the Up/Down Directional Button to choose a team. Press L1 (Away) and R1 (Home) for the CPU to randomly choose two teams.

Take a look at the power ratings below each team name to determine your matchup. A flashing GB symbol means that a GameBreaker plays that position.

- Press  to view each team's power numbers for Offense, Defense and Special Teams.

## ADVANCED OPTIONS

- Press the Right/Left Directional Button to Options/Advanced Options, then the Up/Down Directional Button to choose Advanced Options.

## LIMITED WARRANTY

Sony Computer Entertainment America (SCEA) warrants to the original purchaser of this SCEA product that this software is free from defects in material and workmanship for a period of ninety (90) days from the date of purchase. SCEA agrees for a period of ninety (90) days to either repair or replace, at its option, the SCEA product. You must call 1-800-345-SONY to receive instructions to obtain repair/replacement services.

This warranty shall not be applicable and shall be void if the defect in the SCEA product has arisen through abuse, unreasonable use, mistreatment or neglect. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE SCEA. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL SCEA BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE SCEA SOFTWARE PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
